

# ARE YOU READY TO MOVE FROM DYNAMICS GP TO A CLOUD BASED ERP SOLUTION?

[www.brixeyandmeyer.com](http://www.brixeyandmeyer.com)

Microsoft recently announced the end of life for Dynamics GP is official. Microsoft will release the final updates in 2029, with 2025 marking the end of new licensing. Now is the time to take a look at your company's strategic plan and find the best ERP solution to keep your company moving forward.

## ERP SELECTION & IMPLEMENTATION

When you are ready to make the move to a cloud-based enterprise resource planning (ERP) solution, the Operations, Technology and Strategy team at Brixey & Meyer can use our proven methodology to help you select the right ERP system for your growing company. Our team of business consultants can help your organization understand the business requirements for moving forward and embrace the technology changes that come with migrating to a new system, and ensure a smooth transition.

Our agnostic approach guarantees that your business priorities are aligned with your technology needs. We guide you through an unbiased ERP selection process, free from sales jargon, while helping to manage and navigate the human challenges during implementation.
