

# PRICING STRATEGY SERVICES

We continue to provide the highest level of client service during these unprecedented times. Many businesses are facing loss of revenue and a deteriorating cash position due to business disruption.

**Brixey & Meyer's Pricing Strategy Team partners with your organization to understand pricing-related challenges and develop solutions to maximize returns in volatile market conditions.**

***Our mandate is simple & direct...***

- ✓ ***Improve results***
- ✓ ***Restore trust in pricing of goods and services***
- ✓ ***Increase speed-to-market with quoting and estimating***

## VALUE & INTENDED OUTCOMES

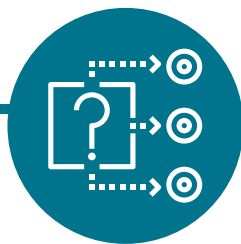

- ⌘ Visibility, trust, and timeliness in pricing of products and services
- ⌘ Pricing processes that will better allow for volatility and responsiveness to market conditions
- ⌘ Realizing full value for products and services
- ⌘ Improved margins

## OUR APPROACH

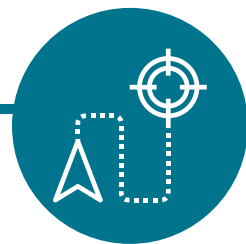

### **Listen & Assess**

People  
Process  
Technology

### **Root Cause Analysis**

Identify Problem  
Analyze Why  
Find Solutions

### **Create Roadmap**

Develop Ideal Solution  
Implement Changes  
Measure Success
